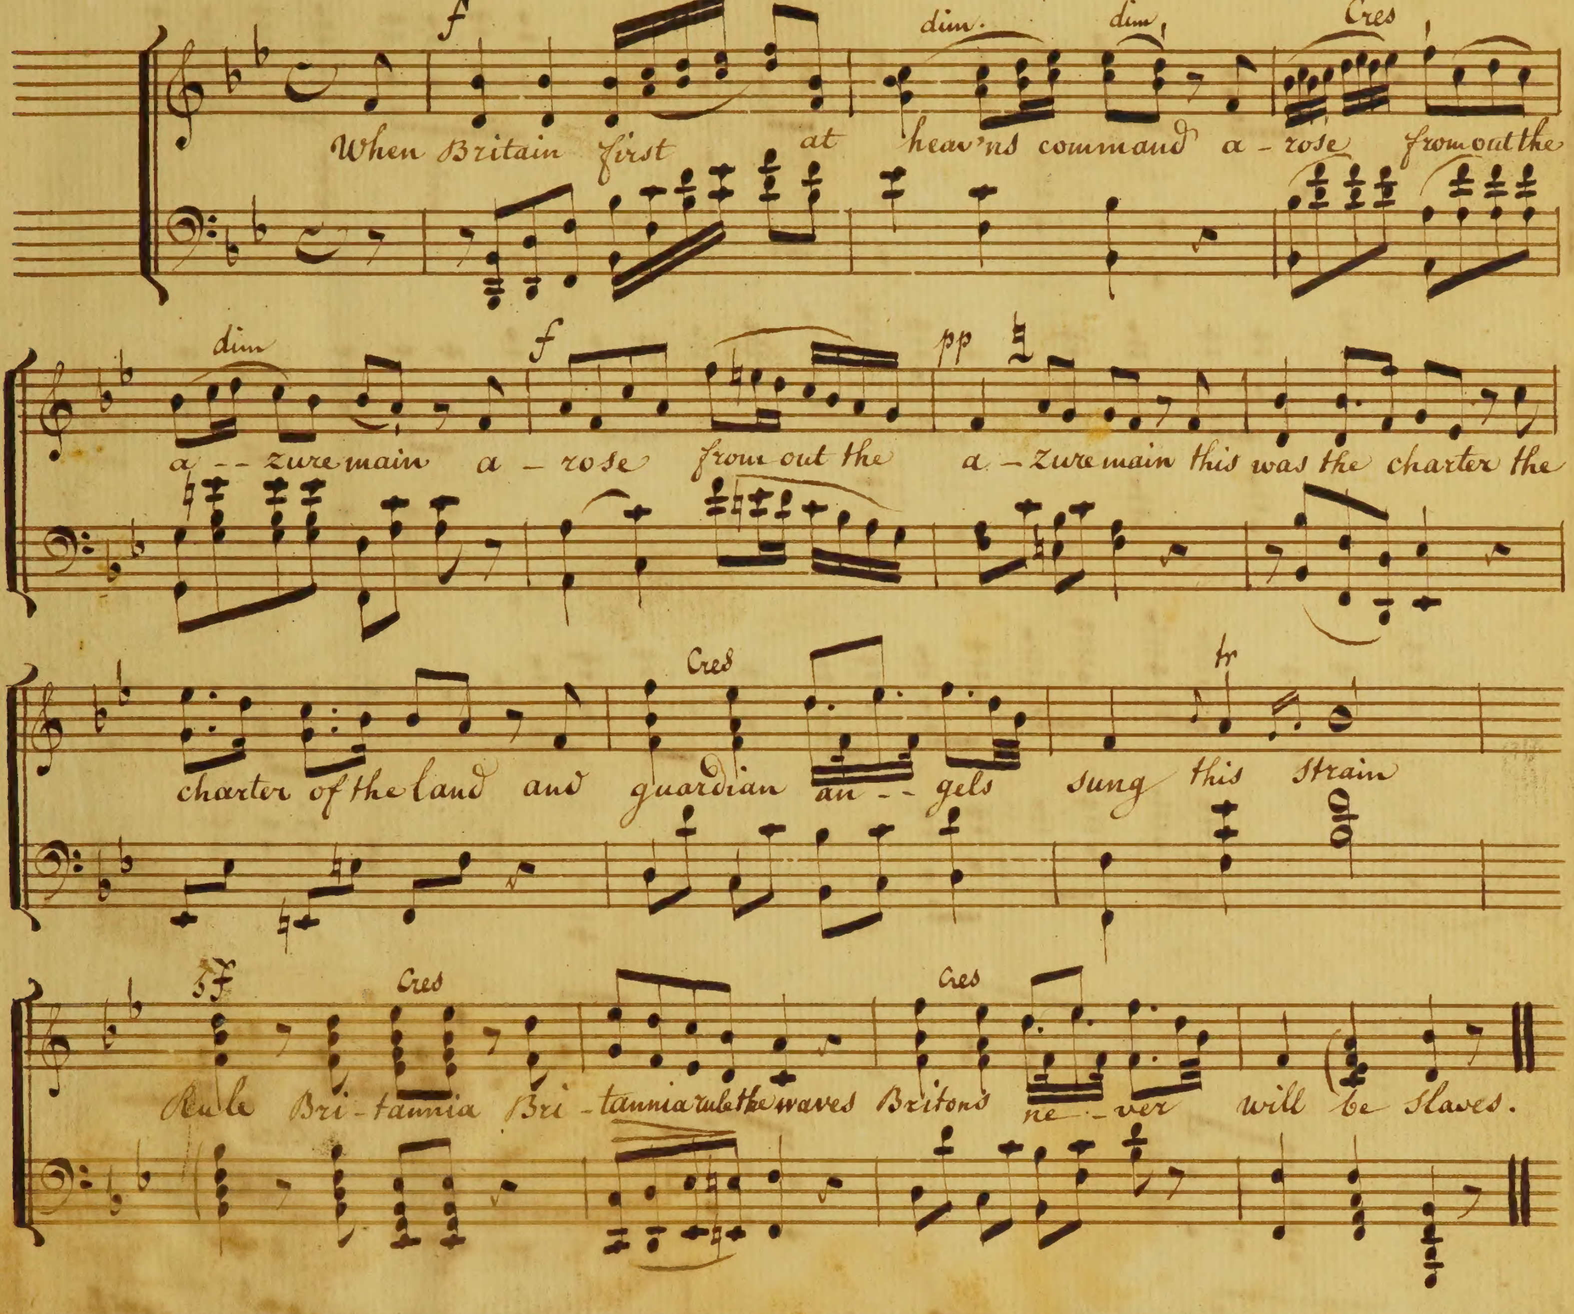
Rule Britannia with Var:

by L. Hoberecht.



2.

The Nations not so blest as thee
Must in their turns to Tyrants fall
While thou shalt flourish great and free
The dread and envy of them all
Chos. Rule Britannia &c

3.

Still more Majestic shalt thou rise
More dreadful from each foreign stroke
As the loud blast that tears the skies
Serves but to root thy native Oak
Chos. Rule Britannia &c.

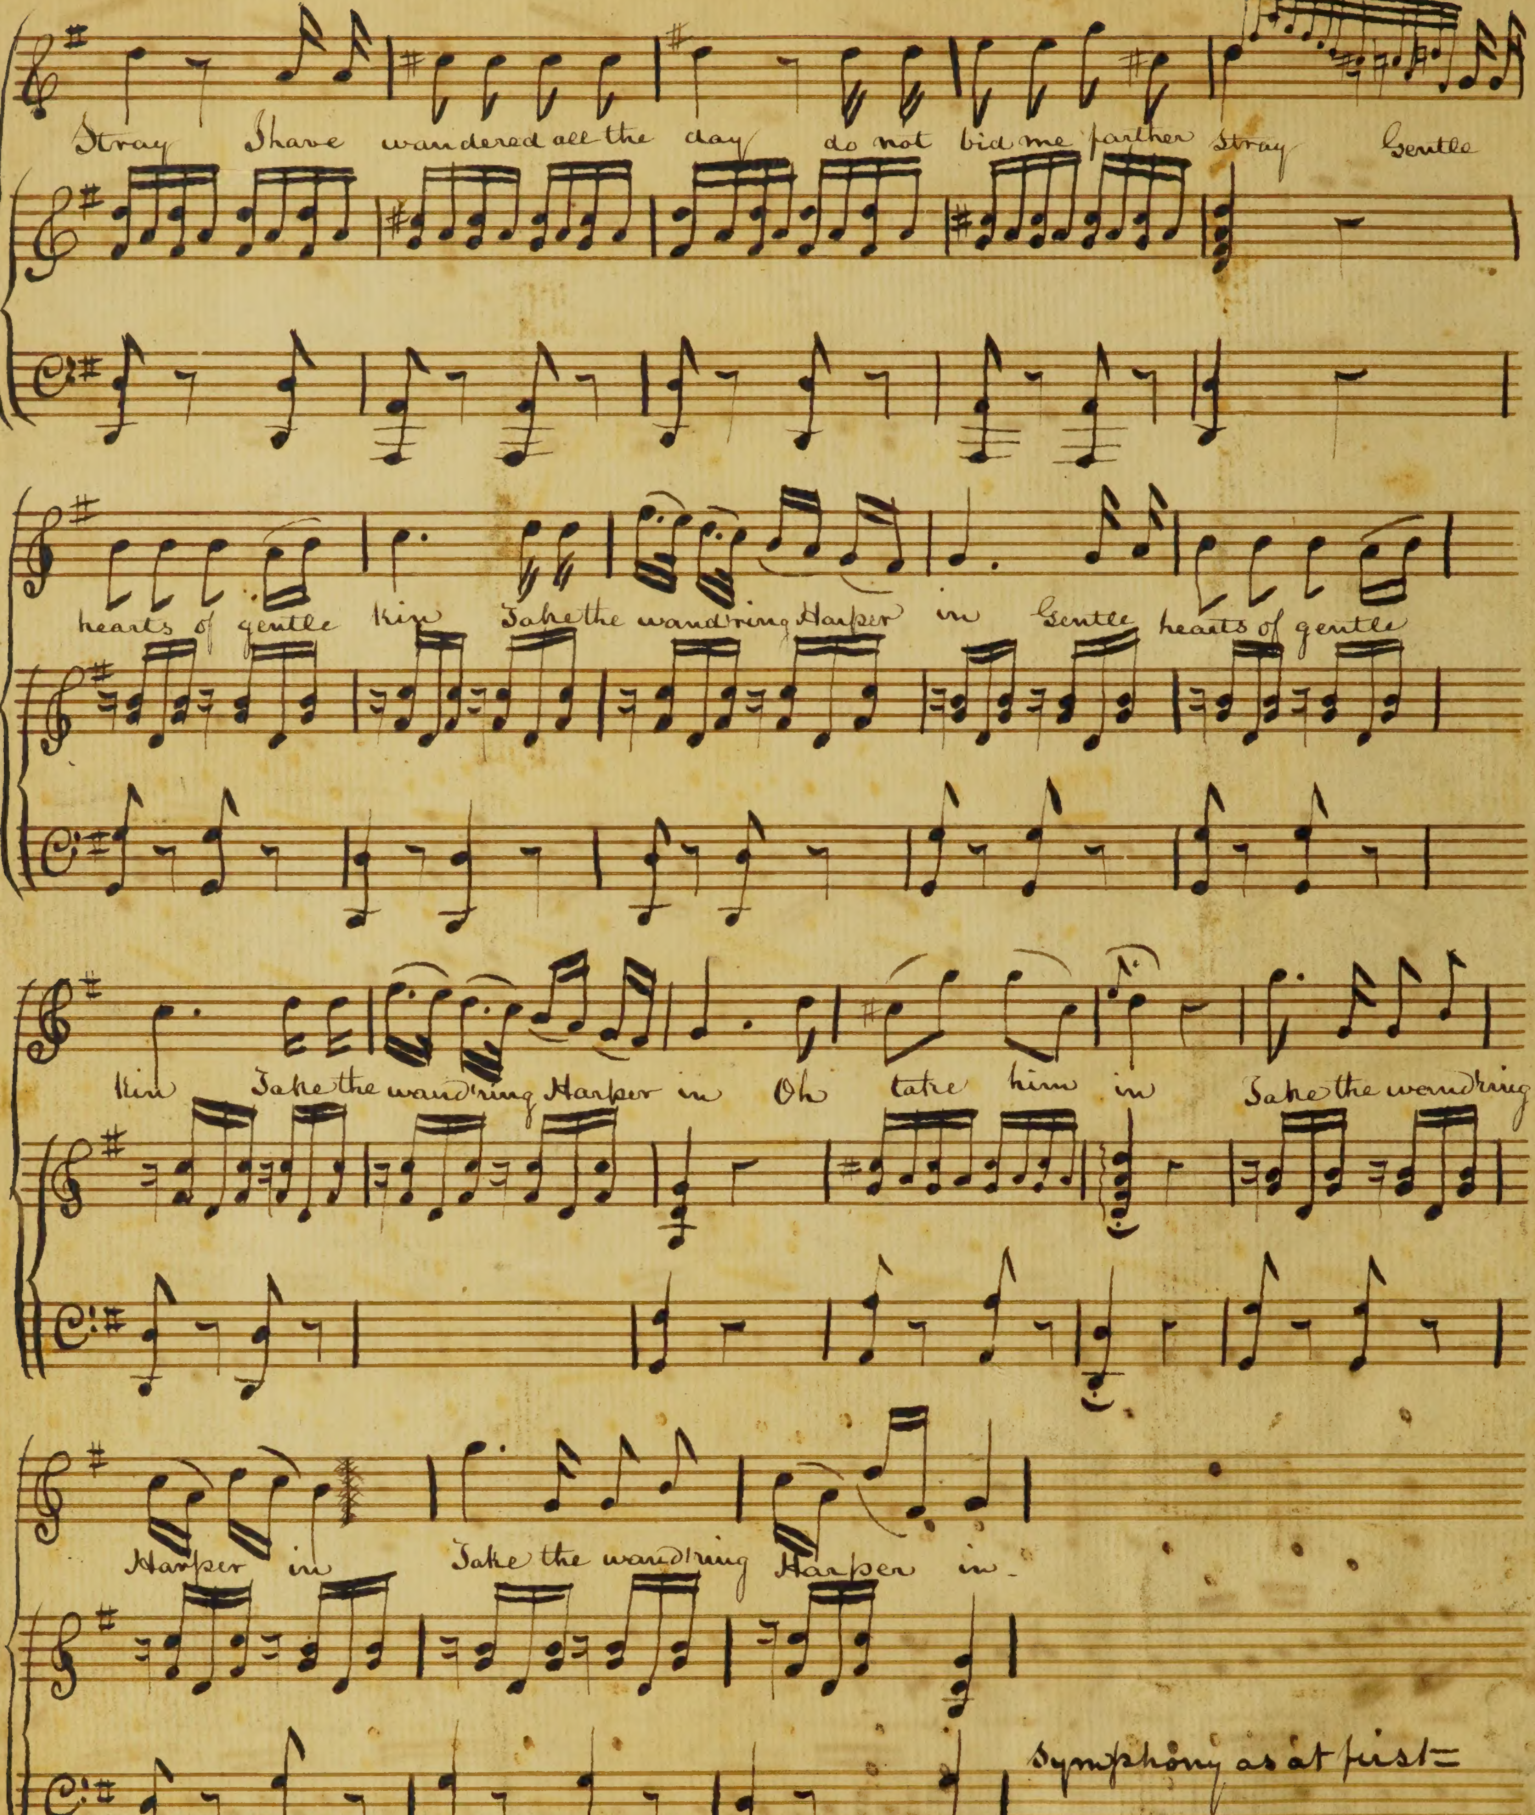
Wandering Harper
8va
Summer Eve is gone and
past
Summer due is falling fast Summer Eve is gone and past Summer
due is falling fast I have wandered all the day Do not bid me farther



2

Bid me not, in battle field,
Bucklers lift, or broad sword wield;
All my strength and all my art
Is to touch the gentle heart
With the wizard notes that ring
From the peaceful minstrel String
(The minstrel string)

3

I have song of war for knight,
Lay of love for lady bright,
Fairy tale to lull the ear,
Goblin grim the maids to scare
Dark the night & long till day
Do not bid me farther stray
(not farther Stray)
